The Examiner has issued a Restriction Requirement under 35 USC 121 and 372.

It is asserted that the pending claims form two groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1. In the interests of advancing prosecution, Applicants elect Group I, drawn to products of formula (I); present claims reading thereupon are 1-15.

No fee has been calculated to be due in regard to responding to the Restriction Requirement. However, if any fee is due for entry of these papers, please charge the fee(s) to Deposit Account No. 13-2755, as a large entity. Please credit any overpayment or charge any fee deficiency to Deposit Account No. 13-2755.

The Examiner is invited to contact the undersigned attorney if clarification is required on any aspect of this response, or if any of the claims are considered to require further amendment to be placed in condition for examination and allowance.

Respectfully submitted,
